For Sale : **€ 205,000**

Description
Just a short walk from the heart of Laneia, this sizeable field sits among village homes and open parcels of land. The cafés and restaurants are within easy reach on foot, and the neighbouring village of Doros lies a little further on.

Covering 8,025 m², the land lies in a residential zone, with room for a home of up to two floors. It has direct road access along one side, so getting here is straightforward.

Picture a morning that starts with a stroll into the village for coffee and fresh bread from the shops. You then return to your own piece of Laneia, with the life of the neighbourhood carrying on around you. It is everyday village living, close enough to the centre to enjoy it all on foot.

A large part of the land, 5,209 m², will be affected by the construction of the Limassol–Saitas road.

With residential land a few steps from the centre of Laneia, this is a place to put down roots in the village.
