For Sale : **€ 205,000**

Description
In the open countryside around Pano Pyrgos, three adjoining fields come together as one large holding. Farmland and undeveloped land stretch around them, the village centre with its shops, cafés and restaurants is a short drive away, and the beaches lie within a drive for long days by the sea.

The land sits in a residential zone, which gives room for a home, with building allowed on up to two floors. Picture a house set among these fields, with open country on every side and the everyday life of the village close at hand.

The land has no direct road access. The sale includes a 1/2 share of one of the three fields, while the other two come in full.

Three fields side by side, open land all around and Pano Pyrgos a short drive away.
