Description
Close to the heart of Analiontas, this large field sits among homes and open parcels of land, with the village centre and its schools an easy walk away. Tamasos Lake is a short drive off, bringing a stretch of nature within reach whenever the day allows. Neighbouring Kataliontas and Kampia are close by too, adding to the village life around you.

The land covers 6,021 m² of flat, even ground and has direct road access. Water, electricity and telecommunications can be connected. Its residential zoning gives room for a home of up to two floors, with plenty of land around it.

Imagine a family home rising here, with the school run made on foot and the village centre just a stroll away. Everyday errands stay simple in a setting where homes and open land still sit side by side.

Flat ground, a village close at hand and the freedom to shape a home your own way make this field in Analiontas a setting to picture your future in.
