Description
In Lakatameia's Agios Nikolaos quarter, this field places you within the everyday rhythm of town life. Supermarkets and shops are an easy stroll away, and so are the restaurants and cafés where neighbours meet for a morning coffee or an evening meal.

The land is zoned as urban centre, which matches its setting. It belongs to the fabric of the town rather than its outskirts, with the places people visit each day close at hand.

Owning ground here means holding a piece of Lakatameia where daily errands and an unhurried coffee can be reached on foot. It is town land, with the life of the town gathered around it.
