For Sale : **€ 197,000**

Description
Agios Nikolaos is a settled corner of Lakatameia, where homes and businesses stand side by side and cafés and shops are within walking distance. Strakka Lake lies not far away, giving the neighbourhood a gentle green note close at hand. This sizeable field sits in a residential zone, with room for a home of up to two floors. It fronts a registered road, so the land has direct road access, and electricity, water and telecommunications can be brought to it. Picture a family home rising here, with morning coffee or the weekly shop a short stroll away and schools a short drive off. It is a setting where everyday life stays easy and close by. A planned road network will affect part of the land and reduce its final area. A distribution agreement is in place. The sale is for a 1/2 share of the field. A residential plot in an established part of Lakatameia, with its own road frontage and the life of the neighbourhood all around it.
