Description
Village life in Sotira sets the scene for this field in the Famagusta district. Its centre lies a short drive away, close enough to make everyday errands and a morning coffee part of an easy routine.

The land sits in a residential zone, which gives it room for a home of your own. It is a chance to picture a house shaped around your plans, set among the rhythms of a Famagusta village rather than a busy town.

When you want a change of scene, Paralimni Lake, a local nature spot, is also within a short drive. It is an inviting place to step outside village life for a while.

A residential field with Sotira's village centre and the open air of Paralimni Lake both a short drive away.
