Description
Between the heart of Argaka and the sea lies a sizeable field of 2,843 m², set among residential developments and open, undeveloped parcels in this village of the Paphos district. Village life is on one side and the shore on the other, a setting with a gentle, uncomplicated appeal.

The land is zoned for residential use and offers room for a home of up to two floors. You can picture a family home taking shape here, close to the sea and part of a growing neighbourhood of homes. The land has no direct road access.

Cafés and restaurants are a short drive away, as are the neighbouring villages of Makounta and Kynousa, so everyday life in the area keeps a relaxed island rhythm. Paphos International Airport is about 40 km away, which makes trips to and from the island simple.

Argaka, the sea close at hand and the space to plan a home: this field brings together the things that make life on this stretch of the Paphos district so appealing.
