For Sale : **€ 186,000**

Description
In the Panagia Evangelistria quarter of Dali, this residential field lies among homes and open parcels of land. The town centre and local schools are a short drive away, so daily life stays close at hand.

Covering 3,503 m², the land is zoned for residential use and fronts a road along one side, giving it direct road access. There is room here for a home of up to two floors, in a neighbourhood where new houses stand beside plots still waiting for their turn.

Dali also carries a long story. The ancient site of Idalion is a short drive away, a reminder of the history woven through this part of the Nicosia district.

A distribution agreement is in place. The sale is for a 1/2 share of the field. This is a sizeable piece of residential land in Dali, with its own road frontage and a settled neighbourhood growing around it.
