Description
A short way from the centre of Lysos village in the Paphos district, this agricultural field covers 22,910 m² and has direct road access along one side. It also lies close to the main road, and the villages of Meladeia and Melandra are a short drive away.

Farmland and undeveloped parcels surround it. Its agricultural zoning suits farming or planting, or holding a sizeable piece of countryside. This is a large field with its own road frontage, close to the village centre.
