Description
In a residential corner of Pissouri, where newer homes sit alongside open parcels of land, this plot of 1,224 m² offers the chance to begin something entirely your own. Pissouri village centre is a short drive away, and Columbia Beach Resort lies within easy reach, so village life and the resort are both close at hand.

The land fronts a registered road, giving it direct road access, and water, electricity and telecommunications are already in place. Its residential zoning allows room for a home of up to two floors. The layout, the materials and the finish are yours to decide, shaped around the way you want to live.

Picture unhurried mornings in a home designed from the first sketch to suit you, with the village a short drive down the road for everyday errands and an evening out. For travel further afield, Paphos International Airport is about 15 km away, which keeps arrivals and departures simple.

This is a sizeable, well-served plot in a settled residential setting, with Pissouri and its surroundings close by.
