Description
In Pera, among homes and undeveloped parcels of land, a field of 2,342 m² offers room for a home of your own. The village centre is only a short drive away. It is a residential setting where a house can take shape at its own pace, with village life close at hand.

The land has a long frontage on a public road, which gives it direct road access. Its residential zoning allows a home of up to two floors. You can picture a family house planned around the way you want to live, with a generous plot around it.

When the weekend comes, Tamasos Lake is a short drive away for time outdoors by the water. Everyday errands in the village are just as easy to reach.

A sizeable piece of residential land with its own road frontage, close to both the village and the lake, Pera is a fine place to begin something lasting.
