For Sale : **€ 157,000**

Description
Avgorou keeps village life close at hand. Here, among homes and open parcels, two adjoining fields come together as one sizeable piece of residential land of 4,261 m².

The land is zoned for residential use, with room for a home of up to two floors. Its neighbours are a mix of houses and undeveloped plots, a setting where you can picture a home taking shape alongside the village as it grows. Please note that the land has no direct road access.

Parks and green spaces are within walking distance, so an evening stroll is part of the picture. The village centre is a short drive away, with its cafés, everyday errands and familiar faces.

Two fields side by side give generous room to plan. This is a calm canvas of residential land in Avgorou, ready for the home you have in mind.
