For Sale : **€ 155,000**

Description
Just outside Gourri, three adjoining fields come together as one agricultural holding of 31,105 m². The land fronts a dirt road along its western side, which gives it direct road access, and it lies a short way from a main local road. Farmland and undeveloped parcels surround it. Gourri village centre is a short drive away, as are the villages of Lazanias and Fikardou.

The land is zoned for agriculture and suits farming and planting. It offers a sizeable, open area of farmland in one continuous piece.
