For Sale : **€ 150,000**

Description
A short drive from Kouklia village centre, with easy access to the Limassol–Paphos motorway, this field covers 2,676 m². It has direct road access along one of its borders. The land falls within two planning zones: residential, where there is room for a home of up to two floors, and protection, which is a drawback for that part. Kouklia is a field set among residential developments and undeveloped plots.
