Description
Pissouri's village centre is a short drive away, and Columbia Beach Resort is within driving distance. This residential plot sits among homes and undeveloped parcels of land.

The plot covers 822 m² and fronts a road, which gives it direct road access. Water, electricity and telecommunication services already reach the plot. Its residential zoning allows a house of up to two floors, so there is room here for a private home designed around your own plans.

Picture settling into a home of your own here, with the village centre close by for an unhurried coffee or the daily errands, and the resort's beach a drive away. Paphos International Airport is about 15 km away, which keeps journeys in and out of the area simple.

The plot combines a residential neighbourhood, connected services and a setting between village and resort, a sound starting point for a home in Pissouri.
