Description
A short drive from the heart of Pissouri village, and with Columbia Beach Resort also a short drive away, this residential plot of 827 m² offers an uncomplicated start for a home of your own in the Limassol countryside.

The land fronts a registered road, so it has direct road access, and water, electricity and telecommunication services are already in place. Set in a residential zone, it has room for a home of up to two floors. Around it, residential developments sit alongside undeveloped parcels, giving the neighbourhood a mix of homes and open land.

Daily life is close at hand. The village centre, with its shops, cafés and restaurants, is within a short drive, and Paphos International Airport lies about 15 km away, making journeys to and from the island straightforward. Picture mornings that begin with a coffee in the village and afternoons spent by the sea at the resort.

An unpretentious plot with practical foundations already laid, it leaves the shape of the home entirely to you. Here, a new chapter of village life in Pissouri could begin.
