For Sale : **€ 132,000**

Description
A short drive from the heart of Pissouri village, and a drive from Columbia Beach Resort, this residential plot offers room for a home shaped entirely around your own plans. Residential developments sit alongside undeveloped parcels in the area around it, with the village close at hand.

At 877 m², the plot is a good-sized canvas for a home of up to two floors, as its residential zoning allows. It fronts a road, giving direct road access, and water, electricity and telecommunication services are all in place.

Picture a house drawn to your own taste taking form here, with the everyday life of Pissouri village only a short trip away. Paphos International Airport is about 15 km away, so journeys abroad and visits from family and friends stay simple.

A residential plot in Pissouri with its services connected and its own road frontage, waiting for the home you have in mind.
