For Sale : **€ 131,000**

Description
Set outside the village of Palaichori Oreinis, this field of 6,689 m² has direct road access along a public road. Around it lie undeveloped parcels, scattered homes and forest land. The ground is irregular in shape and sloping. Part of the land is zoned agricultural, suited to farming, and part is zoned residential, with room for a home. Electricity, water and telecommunication services can potentially be connected.

The village centre and neighbouring Apliki are a short drive away, and a main road is within driving distance. A sizeable field that combines farmland with residential land in one plot.
