For Sale : **€ 130,000**

Description
Close to the sea bay and a short drive from the centre of Argaka, this field sits in a setting of homes and open parcels of land on the Paphos side of the village. The sea nearby shapes the character of the area, and the village gives it a lived-in, settled feel.

The field lies in a touristic zone, the setting for tourist use. It has direct road access, with a long frontage along one side. Neighbouring Gialia is also a short drive away, so the wider area is easy to get to know.

The sale covers the field's unused development rights, not the land itself. What it offers is a touristic setting near the bay, with road frontage and Argaka village close at hand.
