For Sale : **€ 130,000**

Description
Set in open countryside just outside Analiontas village in the Nicosia district, this agricultural field covers 12,041 m² of ground. It has direct road access, with a good length of frontage along one side. The surrounding land is made up of farmland and undeveloped parcels.

Its agricultural zoning suits farming and planting. The village centre and neighbouring Kataliontas are a short drive away, and the Nicosia–Limassol motorway is within a drive. It is a sizeable field of farmland with its own road frontage in the countryside around Analiontas.
