For Sale : **€ 129,000**

Description
Pissouri village, with its centre, cafés and restaurants a short drive away, sets the scene for this residential plot in the Limassol district. The land lies in a residential setting of homes and undeveloped parcels, where a new house could settle into the rhythm of village life.

The plot measures 793 m² and offers room for a home of up to two floors. It fronts a road, giving it direct road access, and it is already served by water, electricity and telecommunication. Those essentials let your attention turn straight to the home itself: the layout, the rooms and the way you want to live in them.

Daily life stays close at hand, with the village centre a short drive away, and Paphos International Airport is about 15 km away for easy travel to and from the island.

An uncomplicated starting point for a home of your own, set close to the heart of Pissouri.
