Description
Pissouri sets the scene for this residential plot. The village centre, with its cafés, restaurants and shops, is a short drive away, and Columbia Beach Resort is within easy reach. Around the land, homes stand alongside undeveloped parcels, giving the neighbourhood a settled residential character.

The plot measures 1,022 m² and fronts a road, so it has direct road access. Water, electricity and telecommunication services already reach it, which keeps the early stages of planning a home straightforward. The residential zoning allows a house of up to two floors. This is room for a home designed around your own ideas rather than one bought ready-made.

Imagine a morning coffee in the village, an afternoon at the beach resort and an evening back at a home you shaped yourself. Paphos International Airport is about 15 km away, so trips to and from the island are simple. This is a setting where village life and the coast meet, with space to build the house you have in mind.
