Description
Pissouri's village centre lies a short drive from this residential plot, set in a neighbourhood where homes sit alongside open parcels of land.

Within a residential zone, the land offers room for a home of up to two floors. It fronts a road, giving direct road access, and water, electricity and telecommunications are already available, so planning a build starts on a practical footing. Its 764 m² leaves sensible scope for a house shaped around your own ideas.

Imagine mornings that begin with a coffee in the village and trips abroad that start from Paphos International Airport, about 15 km away. The Limassol–Paphos motorway is also within easy reach for days out across the region.

A welcoming setting for a home of your own design, with Pissouri's village life close by.
