Description
Pissouri sets the scene for this residential plot, a short drive from the village centre, with Columbia Beach Resort a drive away. Homes and open parcels of land surround it, giving a residential setting with a village life of its own close at hand.

Zoned for residential use, the land offers room for a home of up to two floors. You can set your design priorities from the outset, shaping the layout and the outdoor living around your own brief. It fronts a registered road, so it has direct road access, and water, electricity and telecommunication services are in place.

Imagine settling into Mediterranean village life here, with daily errands in Pissouri itself and Paphos International Airport about 15 km away for journeys further afield. It offers an authentic alternative to city or resort living.

An uncomplicated residential parcel in Pissouri, waiting for the home you have in mind.
