Description
A short drive from the heart of Pissouri village, this residential plot offers room for a home of your own, with up to two floors, in a setting where new homes sit alongside open parcels of land.

It measures 833 m² and fronts a road, so it has direct road access. Water, electricity and telecommunications already serve the land, a practical start for anyone planning a home designed around their own way of living.

Picture the rhythm of village life close at hand: a morning coffee in a café, the weekly shop, the school run, all a short drive away. Columbia Beach Resort lies within a drive for days by the sea, and Paphos International Airport is about 15 km away, which keeps trips abroad and visits from family simple.

A residential plot with services in place and Pissouri village on its doorstep, ready for a home shaped around your own plans.
