

For Sale, Land, Plot, Nicosia, Latsia, Agios Georgios, 526m²

For Sale : **€ 160,000**

Description

Strategic Opportunity for High-Value Living in Latsia
Priced at €160,000, this unique residential plot in the fast-growing area of Latsia presents a sophisticated opportunity for those seeking a balance between Small Development and High-Value Living. With a versatile building density of 80%, the property offers exceptional yield potential for a boutique residential project or the space required to design a contemporary, custom family home. Its strategic positioning in the Kα7 planning zone makes it a cornerstone for any Cyprus real estate investment looking to capitalize on Nicosia's southward expansion.
+1

The area perfectly balances tranquility with modern convenience, offering a high-demand environment for both residents and investors. As one of the most promising plots of land for sale in Latsia, this property ensures long-term value through its proximity to major infrastructure and essential amenities. Choosing G&P Lazarou trusted properties means securing an asset with clear future potential, where "dream home" aspirations meet practical investment logic in a serene, well-connected neighborhood.
