For Sale : **€ 124,000**

Description
A short drive from the heart of Pissouri village, with Columbia Beach Resort within reach by car, this residential plot of 803 m² offers room for a carefully planned home of up to two floors.

The land fronts a registered road, giving it direct road access, and water, electricity and telecommunication services are available. Around it, residential homes sit alongside parcels of land that are still undeveloped, so the setting is residential and still taking shape. The groundwork for a new home is already here: a way in, the services you need and a zone meant for living.

Everyday life has an easy rhythm. Cafés, shops and the village centre are a short drive away, and Paphos International Airport is about 15 km away for trips abroad and visits from family and friends.

With Pissouri village close by and Columbia Beach Resort within reach, this plot is a place where a home of your own design could begin.
