Description
Pissouri village centre is just a short drive from this residential plot, set in a neighbourhood of homes and open parcels of land in the Limassol district. The village feels close at hand, and the land offers a calm starting point for the home you have in mind.

At 791 m², the plot has room for a home of up to two floors, in line with its residential zoning. It fronts a registered road, so it has direct road access. Water, electricity and telecommunications already serve the land, so the basics are covered from the first day of planning.

Columbia Beach Resort, near Pissouri, is within a drive. Paphos International Airport is about 15 km away, which makes trips in and out simple whether you settle here or visit often. Picture weekend mornings spent shaping plans on your own ground, with the village close by.

It is easy to sum up: a residential plot near Pissouri village, with road frontage, services in place and space to build a home of your own.
