Description
A short drive from the village centre of Pissouri, this residential field offers 2,622 m² of land in a setting where open parcels sit beside homes that are already built. It is a place to begin something of your own, with village life close at hand.

The land is zoned for residential use and has room for a home of up to two floors. It has direct road access along one boundary, and a footpath runs along another edge, so reaching the land is simple.

Imagine sketching out a family home here, shaping it to suit the way you want to live, then heading into Pissouri for coffee or the day's shopping. When travel calls, Paphos International Airport lies about 20 km away, convenient for trips abroad and for welcoming visitors.

A sizeable plot, a residential setting and a village a short drive away give a clear and welcoming foundation for a new home in Pissouri.
