Description
Kokkinotrimithia keeps village life within easy reach, with its centre, schools and everyday shops all a short drive away. This field lies in a neighbourhood where homes and open parcels of land sit side by side, an area still finding its shape. Its residential zoning gives the land a clear purpose: room for a home of your own, on up to two floors. At 3,198 m², it is a large plot, so a house can be planned with generous space around it. The land has no direct road access. For anyone drawn to the Nicosia countryside, the nature spot of Gerogiannis is also a short drive away. It is a sizeable piece of residential land in a village setting, waiting for the home that will one day stand on it.
