For Sale : **€ 122,000**

Description
A short drive from Pissouri village centre and from Columbia Beach Resort, this residential plot offers a setting where everyday village life and the coast both sit within easy reach. It is a place to start imagining a home of your own in one of Limassol's best-loved villages.

The land lies in a residential neighbourhood where homes stand alongside open parcels of land. It has direct road access along its frontage, and water, electricity and telecommunication services are already in place, so the groundwork for planning is close at hand.

The residential zoning gives room for a home of up to two floors. That leaves scope to shape the layout around the way you want to live. Paphos International Airport is about 15 km away, which keeps trips abroad and visits from family and friends simple.

A plot with the village on one side and the beach resort within reach on the other, ready for a Pissouri home to take shape on it.
