Description
A short drive from the heart of Pissouri village, this residential plot offers room for a home of your own in a neighbourhood where newer houses stand among open parcels of land. The village centre, with its cafés and restaurants, is close at hand, and Columbia Beach Resort is a drive away. The land covers 733 m² and fronts a registered road, so it has direct road access. Water, electricity and telecommunication services are available, which makes planning a new house a more straightforward prospect. The residential zoning allows a home of up to two floors. Picture a house shaped around your own brief, with the comings and goings of village life a few minutes away and Paphos International Airport about 15 km off for trips abroad. It is a setting that keeps you close to Pissouri while giving you the freedom to design the home you have in mind.
