Description
A short drive from the heart of Stroumpi, this sizeable field lies in a neighbourhood of homes and open parcels of land, with room for a home in the life of a Paphos village. Mornings could begin with coffee in the village and end back on your own ground, among neighbours who have already made this corner of Stroumpi home.

The land extends to 2,342 m² and fronts roads on two of its sides, so it has direct road access. Its residential zoning allows a home of up to two floors, with generous ground around it to plan as you wish.

Shops and supermarkets are a short drive away, so the weekly errands stay simple and village life stays close at hand. Here is a large residential plot on the edge of a Paphos village, with the space and the frontage to let a home take shape.
