For Sale : **€ 120,000**

Description
Just outside Athienou village in the Larnaca district, these two fields offer a combined area of 22,074 m² of agricultural land. The zoning supports farming and planting, and the neighbouring land is made up of other agricultural and undeveloped parcels, giving the area an open, rural character. The land has no direct road access.

With two parcels in one sale, this is a sizeable stretch of farmland in an agricultural landscape close to the village.
