Kornos offers village life with everyday needs
close at hand...

For Sale : **€ 120,000**

**Description**
Kornos offers village life with everyday needs close at hand. A shop is within walking distance, and cafés, restaurants and the village centre are a short drive away. In this setting lies a field in a residential zone, with room for a home of up to two floors.

The immediate surroundings combine undeveloped parcels with some residential developments, so a new home here would sit among neighbours and open ground alike. Picture settling into the pace of a Larnaca village, with schools, parks and green spaces all within a short drive.

The neighbouring villages of Pyrga and Mosfiloti are also a short drive away, and Larnaca International Airport is about 20 km off, handy for travel and for visitors from abroad.

The land is reached by a right of way rather than fronting a road. The sale is for a 1/2 share of the field, and a distribution agreement is in place. A residential setting in Kornos, ready for a home to take shape in your own plans.
