For Sale : **€ 120,000**

Description
Just beyond the village of Pano Pyrgos, this large field opens onto a landscape of open, undeveloped land, with a few homes scattered across the surroundings and the sea within easy reach by car. It is a setting where the countryside still sets the pace, and the coast is never far away.

The land covers 11,706 m² and lies in a residential zone, with room for a home of up to two floors. Picture a house rising here, with open land around it and the village close by, a place to settle into the rhythm of rural Cypriot life.

The village centre is a short drive away for everyday errands and a coffee, and the beaches of the coast are a drive further on for slow summer afternoons by the water.

The sale is for a 1/2 share of the field. Open country, a village close at hand and the sea within reach make this a setting to explore.
