Description
A short drive from the heart of Pissouri village, this residential plot sits in a neighbourhood where homes stand alongside parcels still open to the sky. It is an uncomplicated piece of land with a clear purpose: room for a home designed around the way you want to live.

The land measures 758 m² and fronts a road, giving it direct road access. Water, electricity and telecommunication services already reach the plot, so the practical groundwork is in place before the first sketch is drawn. The residential zoning allows a home of up to two floors, enough to shape the rooms, the outlook and the layout to your own priorities from the very start.

Everyday life stays close at hand, with the village centre a short drive away for a morning coffee or an evening meal. Paphos International Airport is about 15 km away, which keeps trips abroad and visits from family simple.

A straightforward residential plot in Pissouri, waiting for the home you have in mind.
