For Sale : **€ 99,000**

Description
Pissouri sets the scene here: a Limassol village with its centre a short drive away and Columbia Beach Resort within easy reach by car. This residential plot of 760 m² sits in an area of homes and open parcels of land, where village life and the Mediterranean way of living meet.

The land fronts a road, so it has direct road access, and water, electricity and telecommunication services are already in place. Its residential zoning gives room for a home of up to two floors, a place you can shape around the way you want to live.

Picture days built around the village close by, with the beach resort only a short drive from your door. Paphos International Airport is about 15 km away, which keeps journeys to and from abroad simple.

An uncomplicated residential parcel in Pissouri, waiting for the home you have in mind.
