Description
A short drive from the centre of Pissouri village, this residential plot offers room for a home of your own within easy reach of village life. Paphos International Airport is about 15 km away, which keeps trips to and from the island simple.

The land extends to 757 m² and fronts a road, so it has direct road access. Water, electricity and telecommunications are all available to the site. Its residential zoning allows for a home of up to two floors, giving you the freedom to shape a house around the way you want to live.

The surroundings are a mix of residential homes and parcels of land that have not yet been built on, giving the area a settled residential character with an open feel. Picture a morning that starts on your own land, followed by a short drive into the village for coffee or the day's shopping.

With services in place, direct road access and Pissouri village close by, this plot is ready for you to imagine the home that could one day stand here.
