For Sale : **€ 98,000**

Description
Xylofagou's centre, with its cafés and restaurants, lies within walking distance of this residential field in Larnaca district. It is a setting where village life is close by, from a morning coffee in town to an evening meal out.

The land sits in a residential zone, among homes and undeveloped plots, and offers room for a home of up to two floors. A supermarket, a school and public service offices are a short drive away. For weekends outdoors, the woodland of Liopetri National Forest Park is a short drive too, and the ancient Makronissos Tombs make a pleasant outing further afield.

The land has no direct road access. The sale is for a 1/2 share of the field.

A residential plot near the heart of Xylofagou, with room to picture a home and the life of the village around it.
