Description
In the farmland around Avgorou, this agricultural field covers 18,130 m², set among other agricultural and undeveloped parcels. Its agricultural zoning suits farming and planting. The land has no direct road access.

The centre of Avgorou and the neighbouring village of Agios Georgios Acheritou are a short drive from the area, and Liopetri lies a little further away. It is a large, uncomplicated piece of agricultural land in a rural landscape.
