For Sale : **€ 101,000**

Description
The sea lies close by, and the village life of Kato Pyrgos is never far away. Just outside the village centre, this residential plot offers room for a home of your own, shaped around your own plans.

The land sits in a residential zone, where a house of up to two floors may be built. It has direct road access along one side. Around it is a mix of homes and open, undeveloped parcels, which gives the neighbourhood an unhurried, residential character.

Picture days that begin with the coast close at hand and end over coffee or dinner in the village, where shops, cafés and restaurants are a short drive away. Neighbouring villages such as Pigenia are within easy reach, and Gialia Monastery is a pleasant drive further on.

A home near the sea, rooted in a village with its own strong identity: a plot that deserves a closer look.
