For Sale : **€ 95,000**

Description
A short stroll from the heart of Malounta, this residential field lies among village homes and open parcels, with the everyday life of the village centre close at hand.

The land is large and irregular in shape, with an even surface that slopes gently. It has direct road access, and water, electricity and telecommunications can be connected. Its residential zoning leaves room for a home of up to two floors, a place to picture slow mornings and evenings set to the pace of the village.

When the weekend calls, the nature spots of Perátis and Korakas are a short drive away, as are the neighbouring villages of Klirou and Arediou. The sale covers an 18/41 share of the field.

The village centre within walking distance, nature a short drive off, and room for a home in a residential setting: this corner of Malounta gives a lot to think about.
