For Sale : **€ 94,000**

Description
A short drive from the centre of Agros, in the Limassol district, this plot of 1,097 m² sits among a scattering of homes and open parcels of land. Neighbouring Potamitissa is also close at hand, and the main roads are a drive away.

The land lies in a touristic zone, so tourist use is its natural purpose. The zoning allows a hotel of up to three floors, and a house of up to two floors is also permitted. Its own frontage onto a road along one side gives the plot direct road access, which makes it simple to reach.

Here you can weigh your plans calmly. A guest-focused project and a single house both fit the zoning, with the village and its surroundings within easy reach.

A flexible plot in Agros, with its own road frontage and touristic zoning, close to the everyday life of the village.
