Description
Pissouri village centre is a short drive from this residential plot, and Columbia Beach Resort is within reach by car. The plot sits among homes and open parcels of land, a residential setting with the warmth of village life close at hand.

At 727 m², the land offers room for a home of up to two floors, in keeping with its residential zoning. It fronts a road, so there is direct road access. Water, electricity and telecommunications are available, which gives a practical head start when planning a build.

Picture your own home taking shape here, with the village centre close by for everyday errands and the beach resort a pleasant drive away for slow weekend afternoons. Paphos International Airport is about 15 km away, which makes arrivals and departures easy to manage.

Serviced residential land in Pissouri, with the village and the coast both within easy reach, is an inviting place to begin a carefully planned home.
