For Sale : **€ 93,000**

**Description**
Everyday Paralimni life unfolds around this residential field, with schools just a short walk away. Homes and open parcels sit side by side in the surrounding neighbourhood, giving the area a settled, lived-in character while still leaving a sense of space around you.

The land lies in a residential zone, and part of it also falls within an urban centre zone. That points to room for a home in a town setting, with Paralimni's daily rhythm close at hand. The field has direct road access, with frontage along three of its borders, so it is easy to picture how the land connects with the streets and homes around it.

When the day calls for open air, Paralimni Lake is a short drive away, offering a natural counterpoint to the residential streets. The sale is for a 1/12 share of the field.

A residential setting within walking distance of schools, with direct road access, makes this a piece of Paralimni worth getting to know.
