For Sale : **€ 86,000**

Description
Beaches a short drive away and the village of Mazotos just beyond the boundary set the tone for this field in the Larnaca countryside. Around it, homes stand alongside open parcels of land that have not yet been built on, giving the area a relaxed, residential feel at the edge of village life.

The land is zoned for residential use under holiday-home planning, with room for a holiday home of up to two floors. Picture slow mornings in the village, afternoons by the sea and evenings returning to a home shaped to your own taste. For anyone arriving from abroad, Larnaca International Airport is a drive away.

The land has no direct road access. The sale is of a 223/864 share of the field.

What stays with you is the simple promise of the place: a residential corner just outside Mazotos, with the village on one side and the beaches a short drive on the other.
