For Sale : **€ 86,000**

Description
Palaiometocho keeps its village character just outside Nicosia, and it is here, among homes and open parcels of land, that this sizeable field of 2,700 m² waits for its next chapter.

The land lies within the village, in a neighbourhood where residential homes sit alongside undeveloped plots. Its residential zoning gives room for a home, with up to two floors allowed. The land has no direct road access.

Daily life stays within easy reach of a village routine. Schools and shops are a short drive away, and the green surroundings of the Gerogiannis nature spot are a short drive too, for walks and time outdoors. Neighbouring Kokkinotrimithia is close as well.

A simple, uncomplicated piece of land in a lived-in village setting, with the space to picture a home of your own taking shape in Palaiometocho.
