For Sale : **€ 84,000**

Description
Pissouri has a way of drawing people in, and this residential plot sits just outside the village. Its centre is a short drive away, and Paphos International Airport is about 15 km off, so travel stays simple.

The land measures 732 m² and fronts a road, which gives it direct road access. Water, electricity and telecommunications are already in place. That leaves the shape of a future home open: residential zoning allows a house of up to two floors, a canvas for a home designed around the way you want to live.

Around it, residential developments sit alongside undeveloped parcels, giving the area the feel of a neighbourhood still taking shape. It is a setting where a self-build project can grow at its own pace, with village life close at hand.

Serviced land with road frontage on the edge of Pissouri, and room for a home of your own.
