For Sale : **€ 88,000**

Description
Three adjoining fields come together here to form one large stretch of countryside of 26,191 m², just outside the village of Neo Chorio in the Paphos district. The land around it is made up of agricultural and undeveloped parcels, giving a setting shaped by the landscape rather than by dense building.

The village centre is a short drive away, as are Androlikou and Latchi. The land lies within a protection zone. It has no direct road access. It is a sizeable piece of Paphos countryside, made up of three neighbouring fields that sit side by side.
